

Photo Format for American Passports and for Nonimmigrant Visa Applications

Your photos must have been taken within the last six months and match the dimensions of this sample:

- All photographs must be 2" by 2" (two inches by two inches), excluding any borders, and printed on high quality photographic paper
- Photograph background must be white or off-white
- Applicant image must be centered and facing forward
- Head size must be 1" to 1-3/8" and there must be 1/2" between the top of the head and the top of the photo
- Photographs must be taken in color (NOT black and white)

Photographers

Provided the photographs meet the specified requirements, you may use any photographer. The following is a list of some photographers who can provide acceptable photographs for U.S. passports and visa applications. The list is provided for your convenience but please note that the Consulate General cannot recommend any specific photographer, or assume any responsibility for their efficiency, integrity, or reliability. Fees and the service provided are solely a matter between you and photographer selected.
